

Dear Family and Friends,

I am participating in a Read-a-thon at my school (North Heights Christian Academy) during the month of February. We are raising funds to improve our school. Would you please consider sponsoring me for this event? My goal is to read at least _____ minutes, and hopefully even more than that! You can pledge a certain amount per minute (example: ten cents per minute) or you may consider giving a flat donation. I will notify you of my total minutes read at the end of February when I collect donations. All checks can be made out to North Heights Christian Academy. Thank you for your consideration!

Sincerely,

Thanks for helping to make the NHCA Read-A-Thon a success!
